REFLECTING BACK

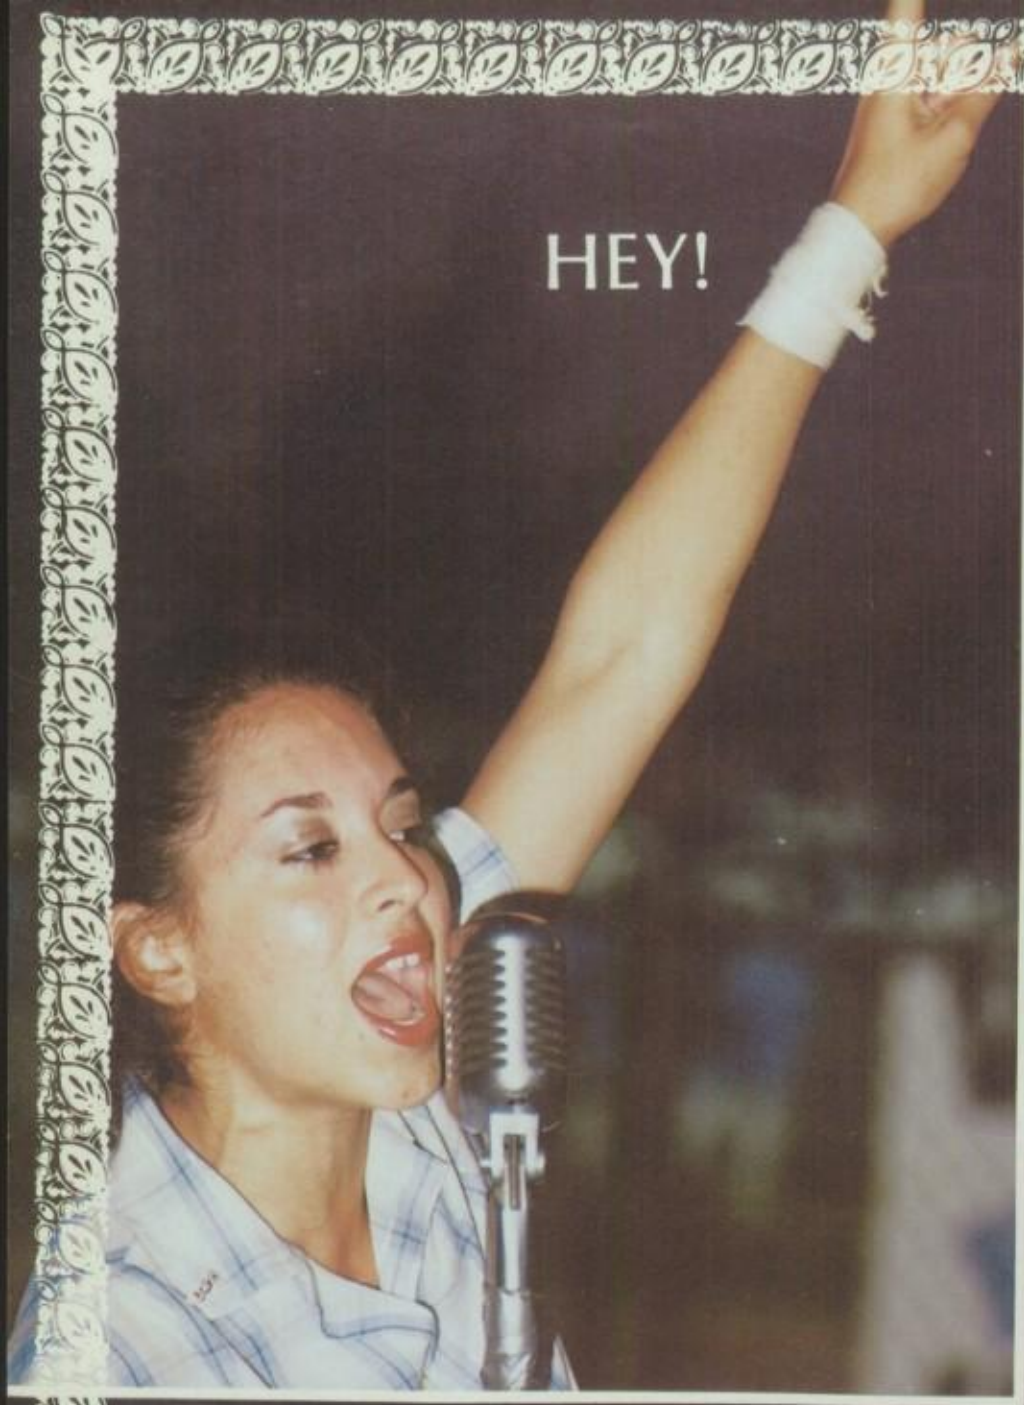
Students of the past lived in a different world. Fashions were different, attitudes have changed.

Since the campus moved from a level street to on top of a hill, we now have to contend with puffing our way up the hill to school and hope that we'll make it up the stairs to class before our legs collapse beneath us. We gained a larger campus with a beautiful new football field. Would the spirit of old Wilson be as high as it is today with the cheers ringing in everyone's ears?

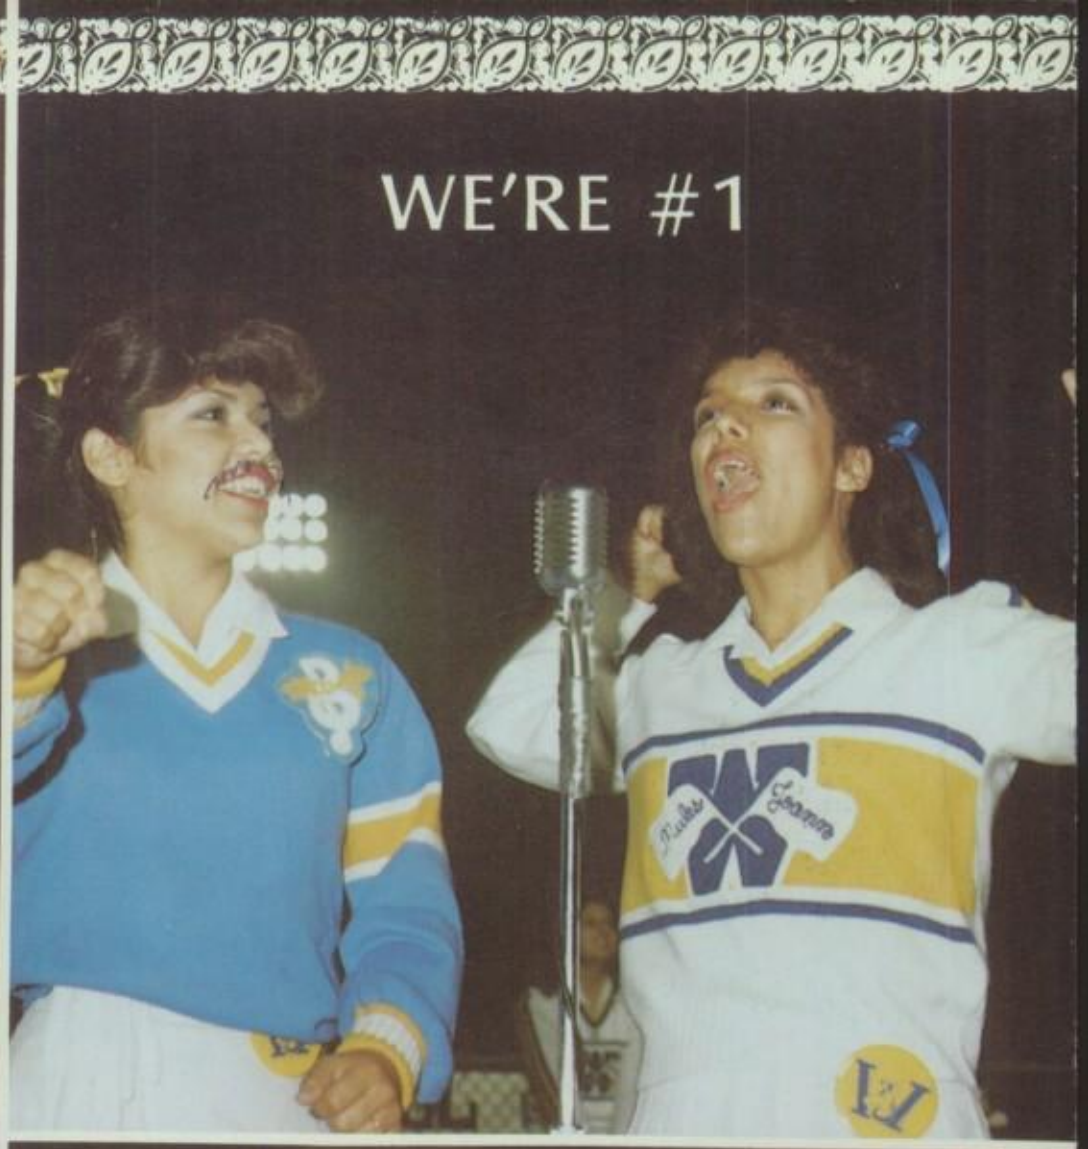
ADMINISTRATION

L. to R.: Miss Kehl, Assistant Principal, Mr. Hahn, Principal.

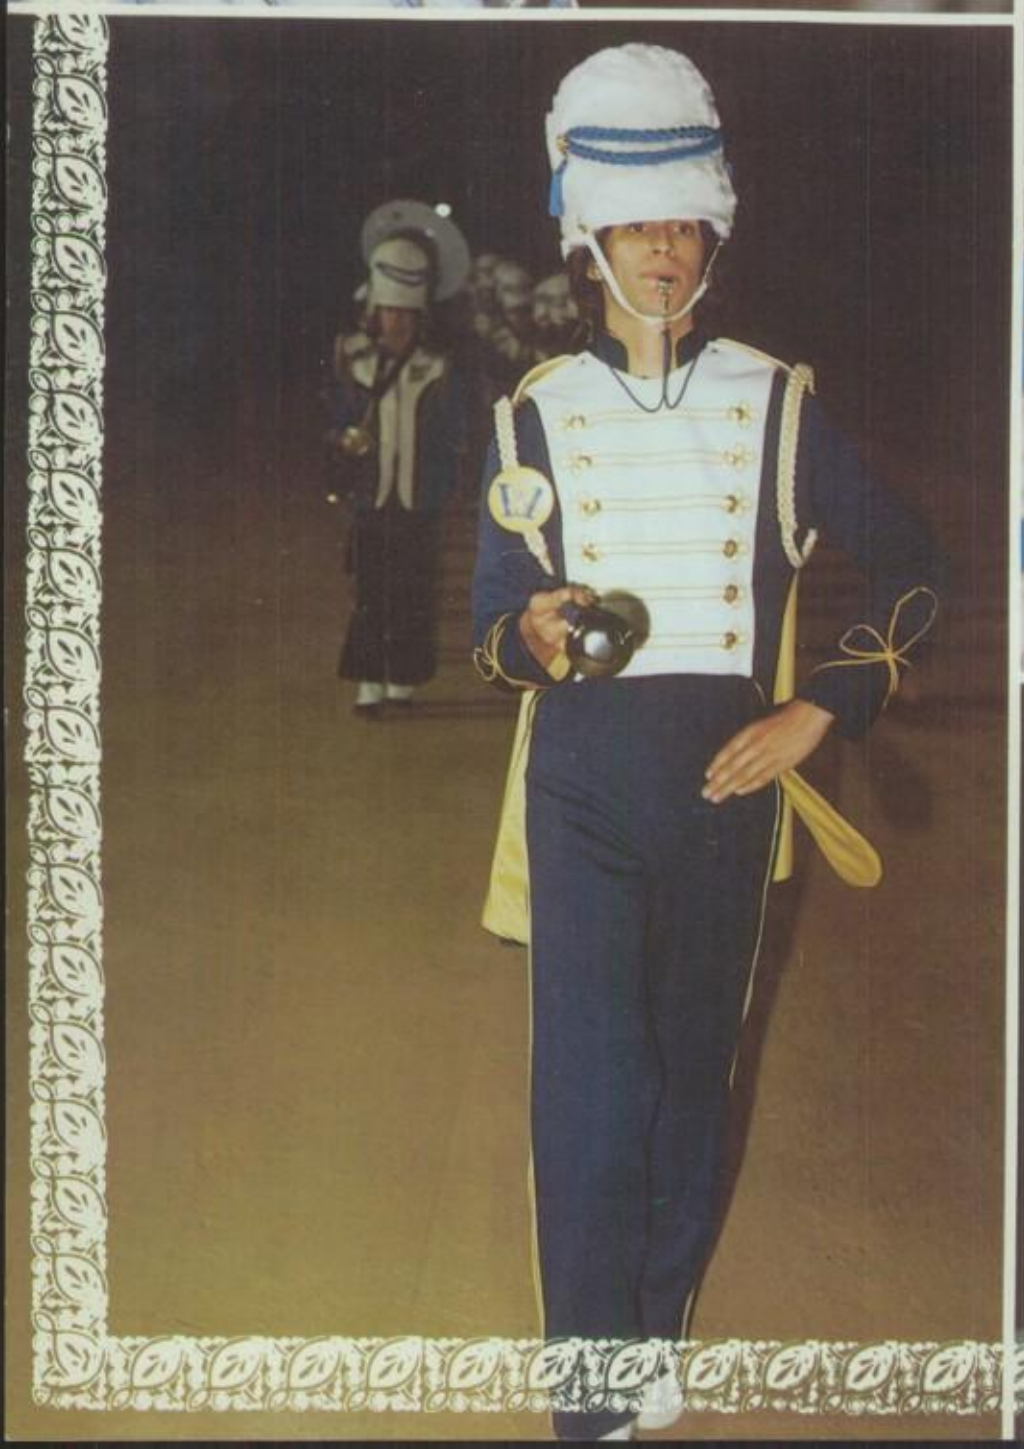
L. to R.: Mr. Salcido, Assistant Principal, Mr. Raino, Registrar, Mrs. Renteria, Head Counselor



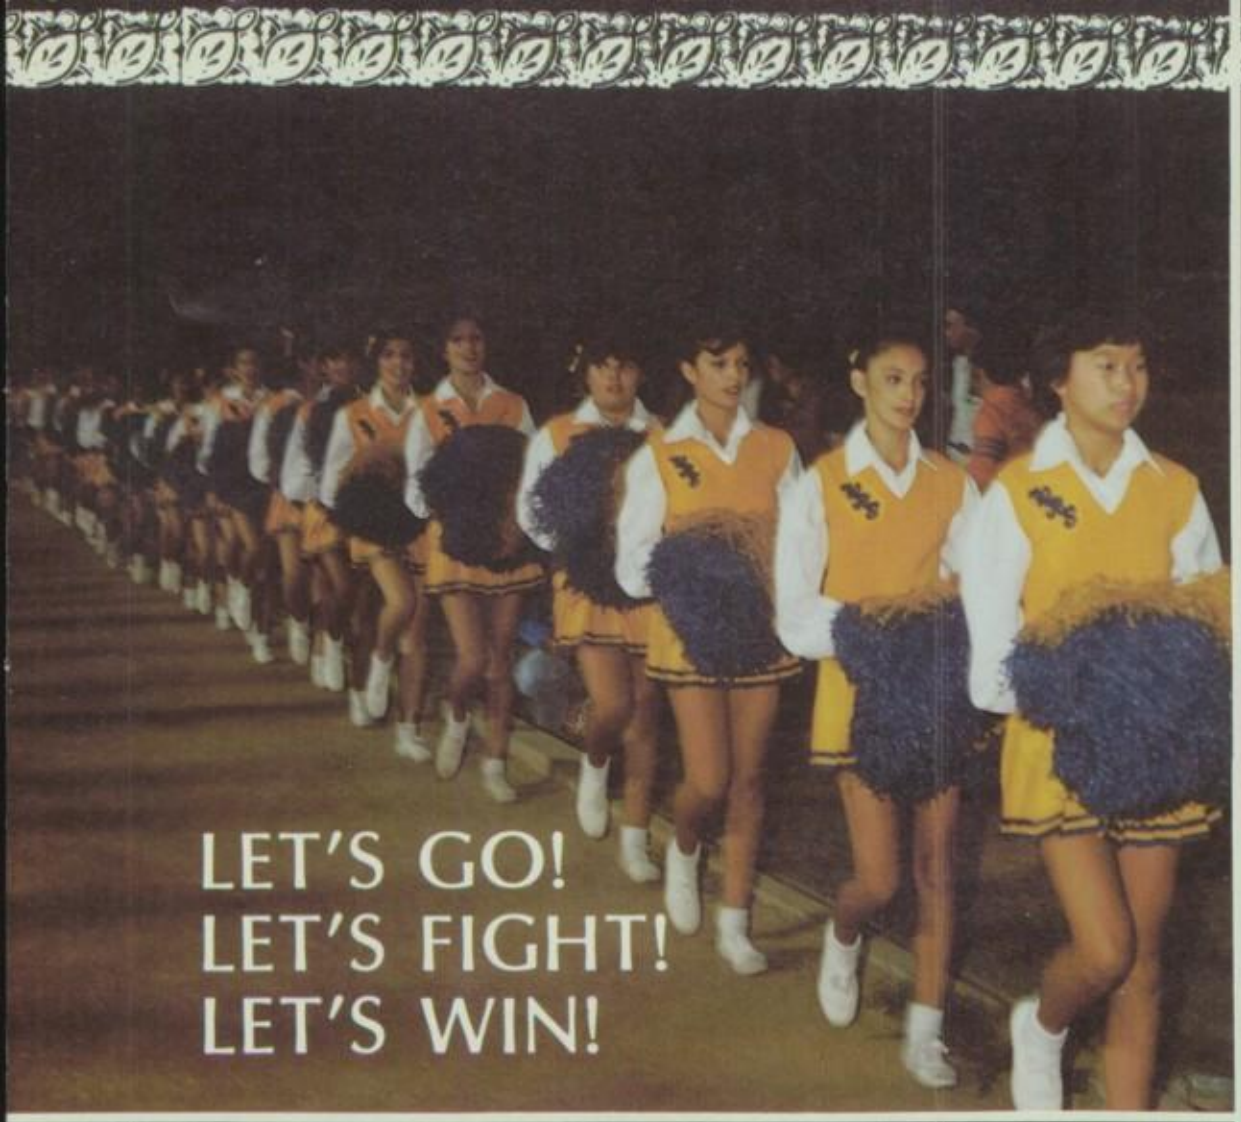
HEY!



WE'RE #1



IT'S UNCLE
SEYMOUR



LET'S GO!
LET'S FIGHT!
LET'S WIN!

COUNSELORS

1st Row: Mr. Fraga, Ms. Dozier, Mrs. Green, Row 2: Mrs. Renteria, Head Counselor, Mrs. Nicholson, Mrs. Gomez, Mrs. Nino, Row 3: Mr. Amundsen, Mr. Ryan, Mr. Kirk, College Advisor

WILSON'S WONDER WORKERS

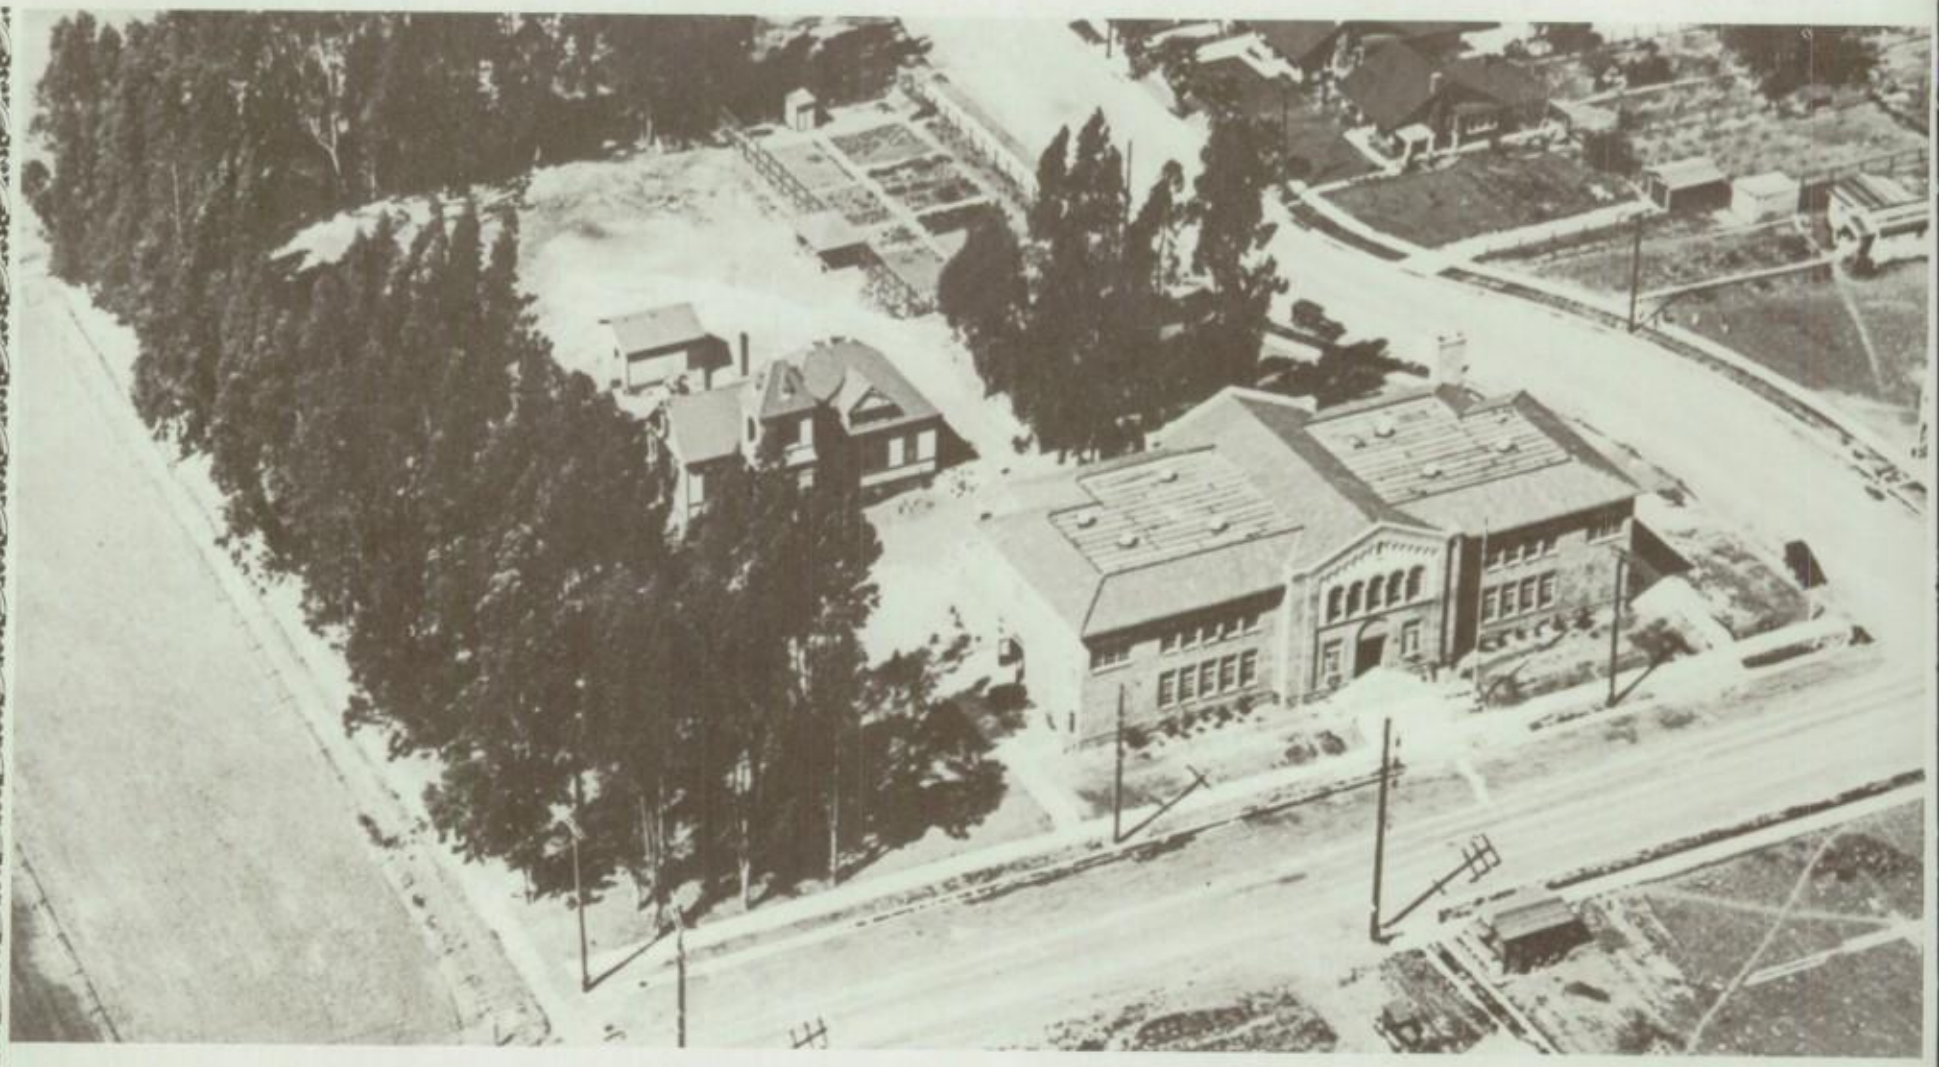
SECRETARIES, CAFETERIA, AIDES, CUSTODIANS, SECURITY: 1st row: Secretarial Staff, 2nd row: L. to R.: Cafeteria Staff, Aides, 3rd row: Custodians, Security: J. Hardig, Security Agent.

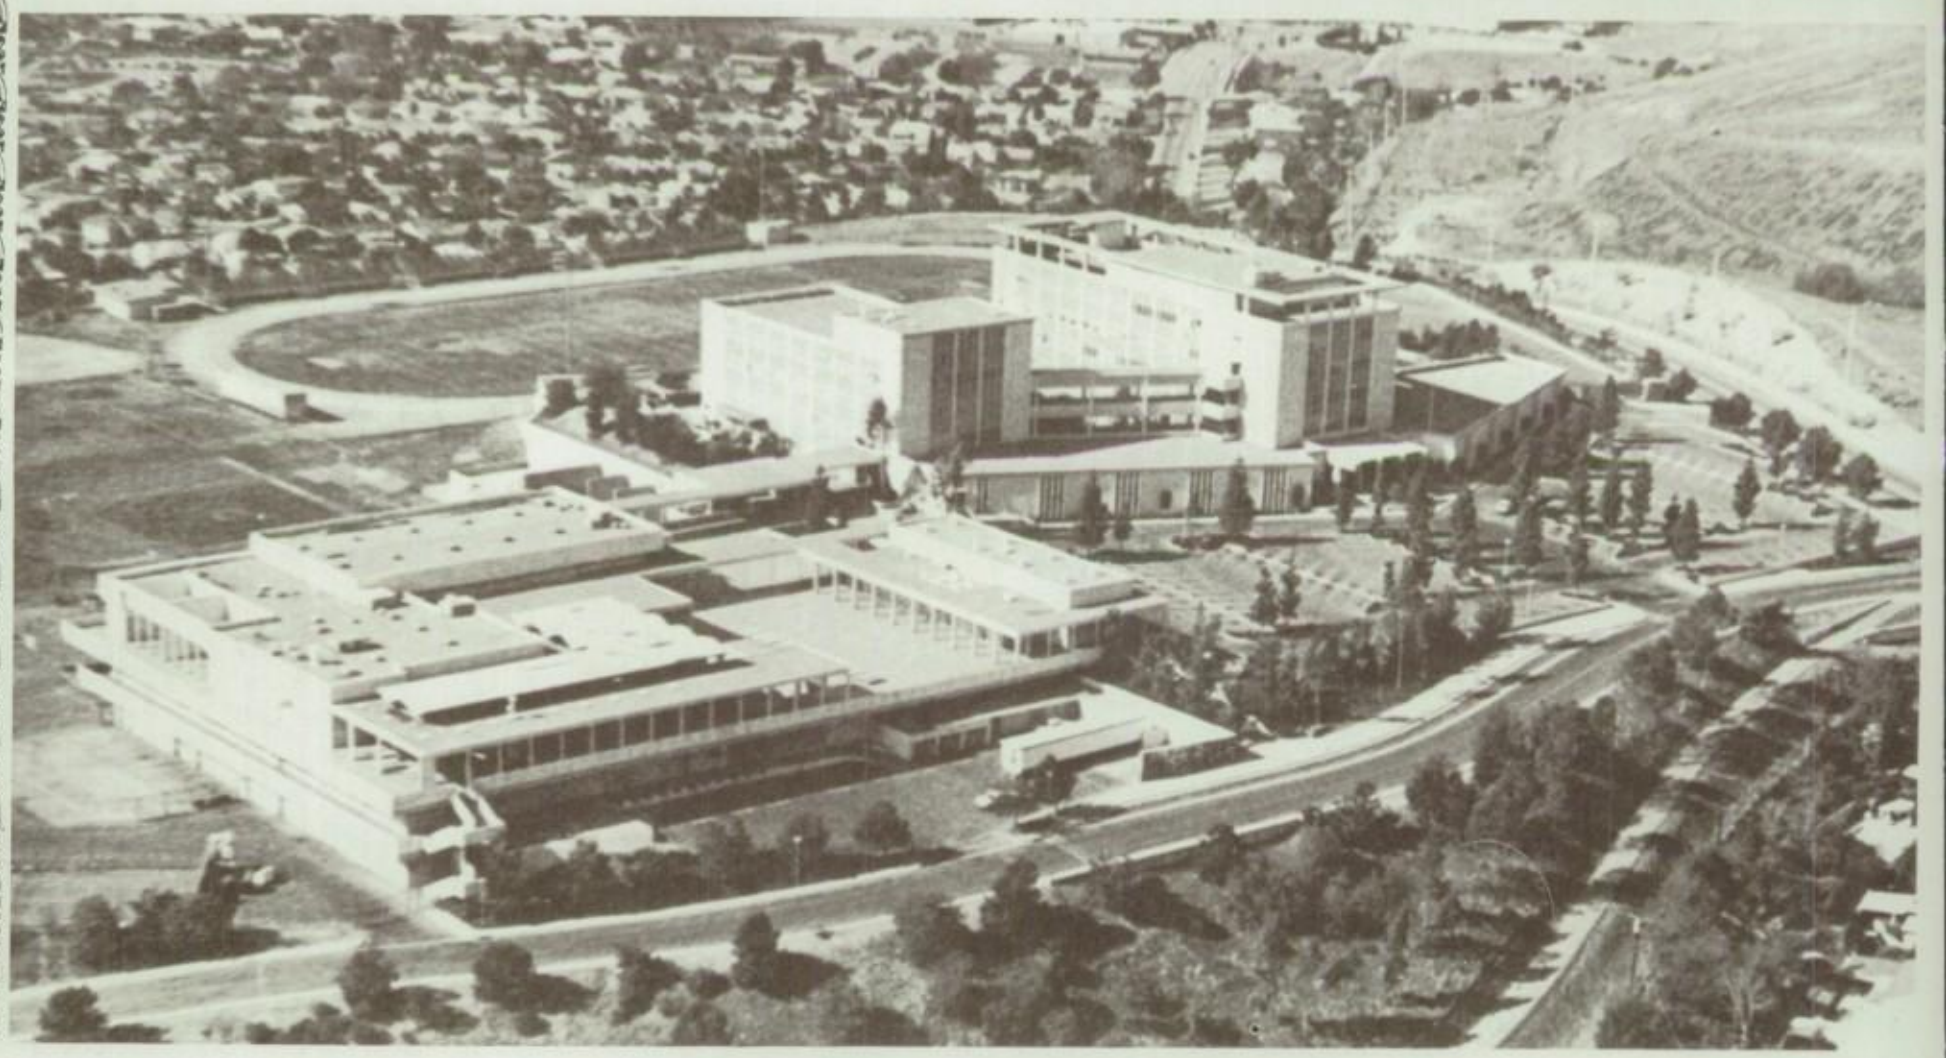
BEAT 'EM BUST 'EM THAT'S OUR CUSTOM

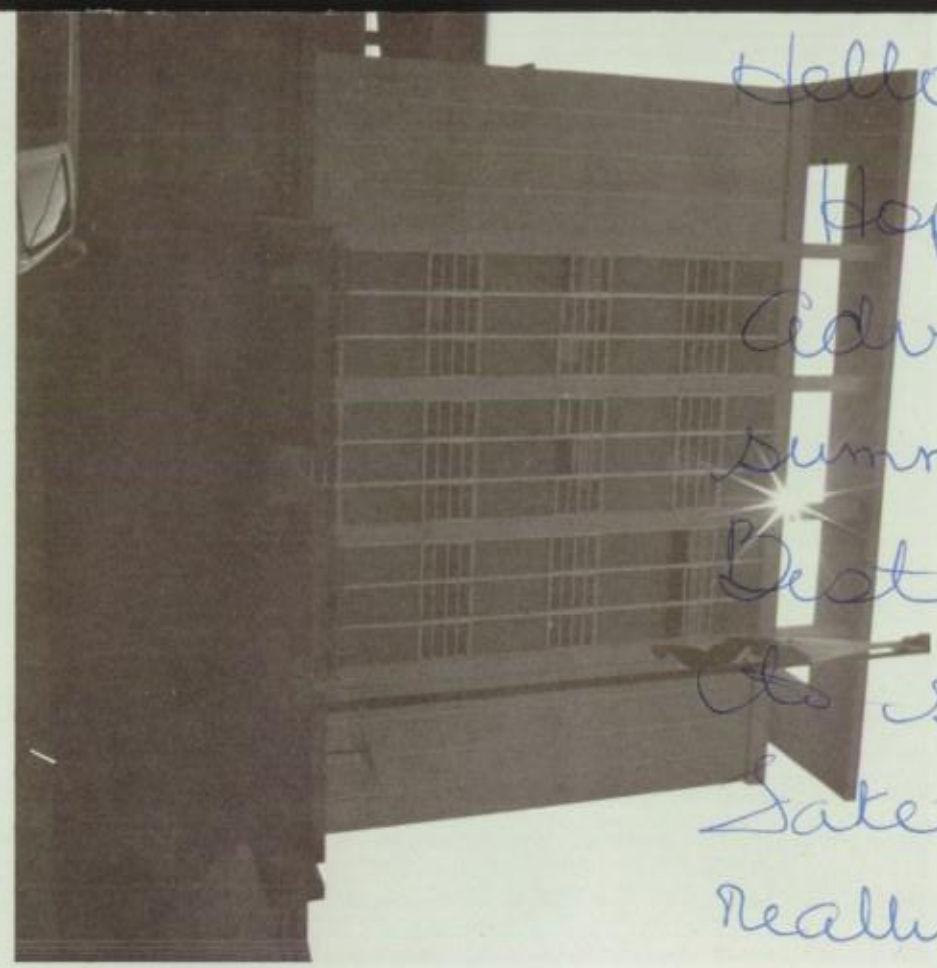
1st row: SONGLEADERS: M. Mojica, M. Castellanos, 2nd row: V. Candelaria, 3rd row: S. Quemada. Wilson's MARCHING BAND under the direction of Mr. Knowlton. DRILL TEAM: Captains; E. Moreno, L. Martinez.

Talk about spirit! Toni Brouwers' family is full of spirit! The costume was first worn by the Brouwers family in 1947 and Toni is keeping up the Brouwers' tradition! Our Spirit Groups aren't blood related, but their spirits are united to spur Wilson on to victory!

THEN AND NOW





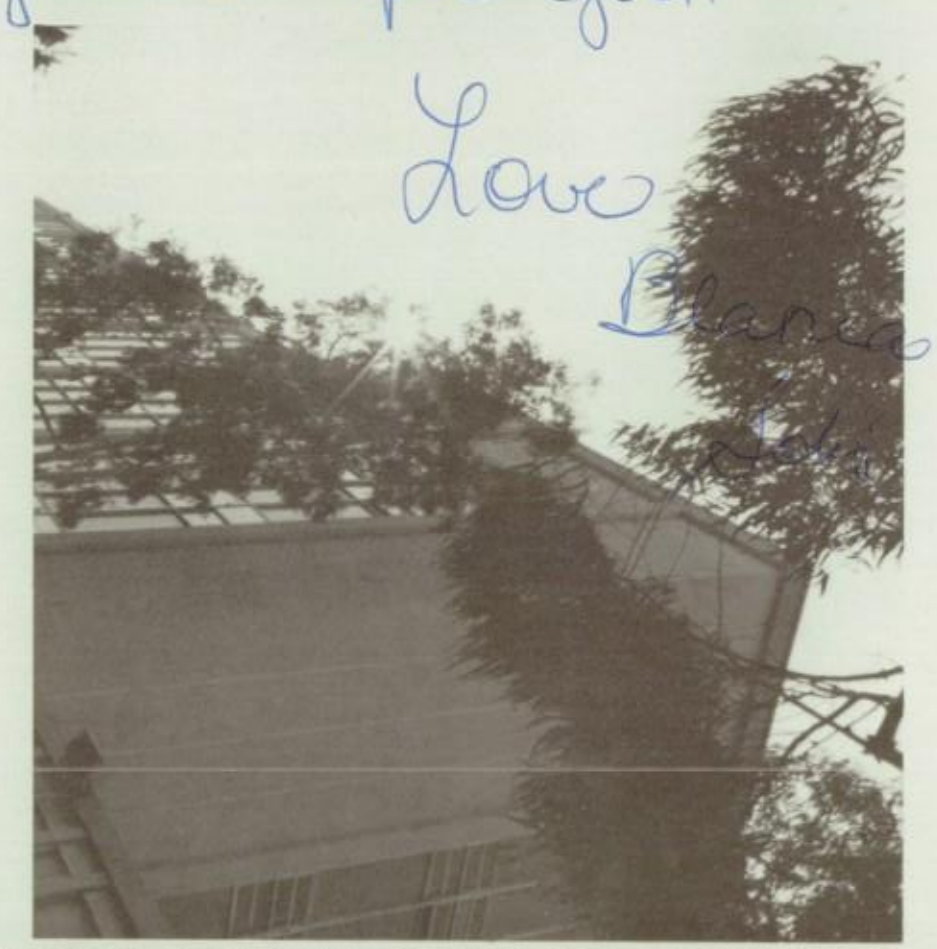


Hello Bryan

Hope you have an adventurous wonderful summer. Good Luck and Best Wishes always. Hope to see you around. Take care because I really care for you.

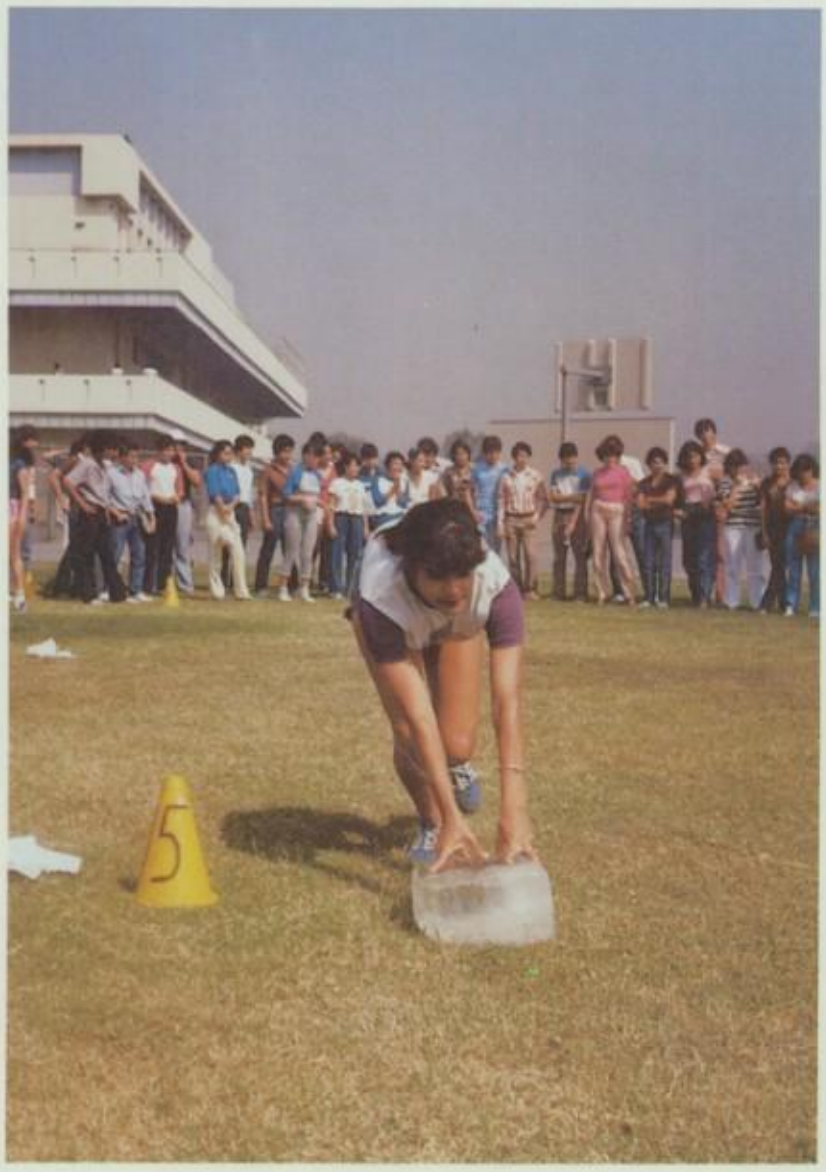
Love

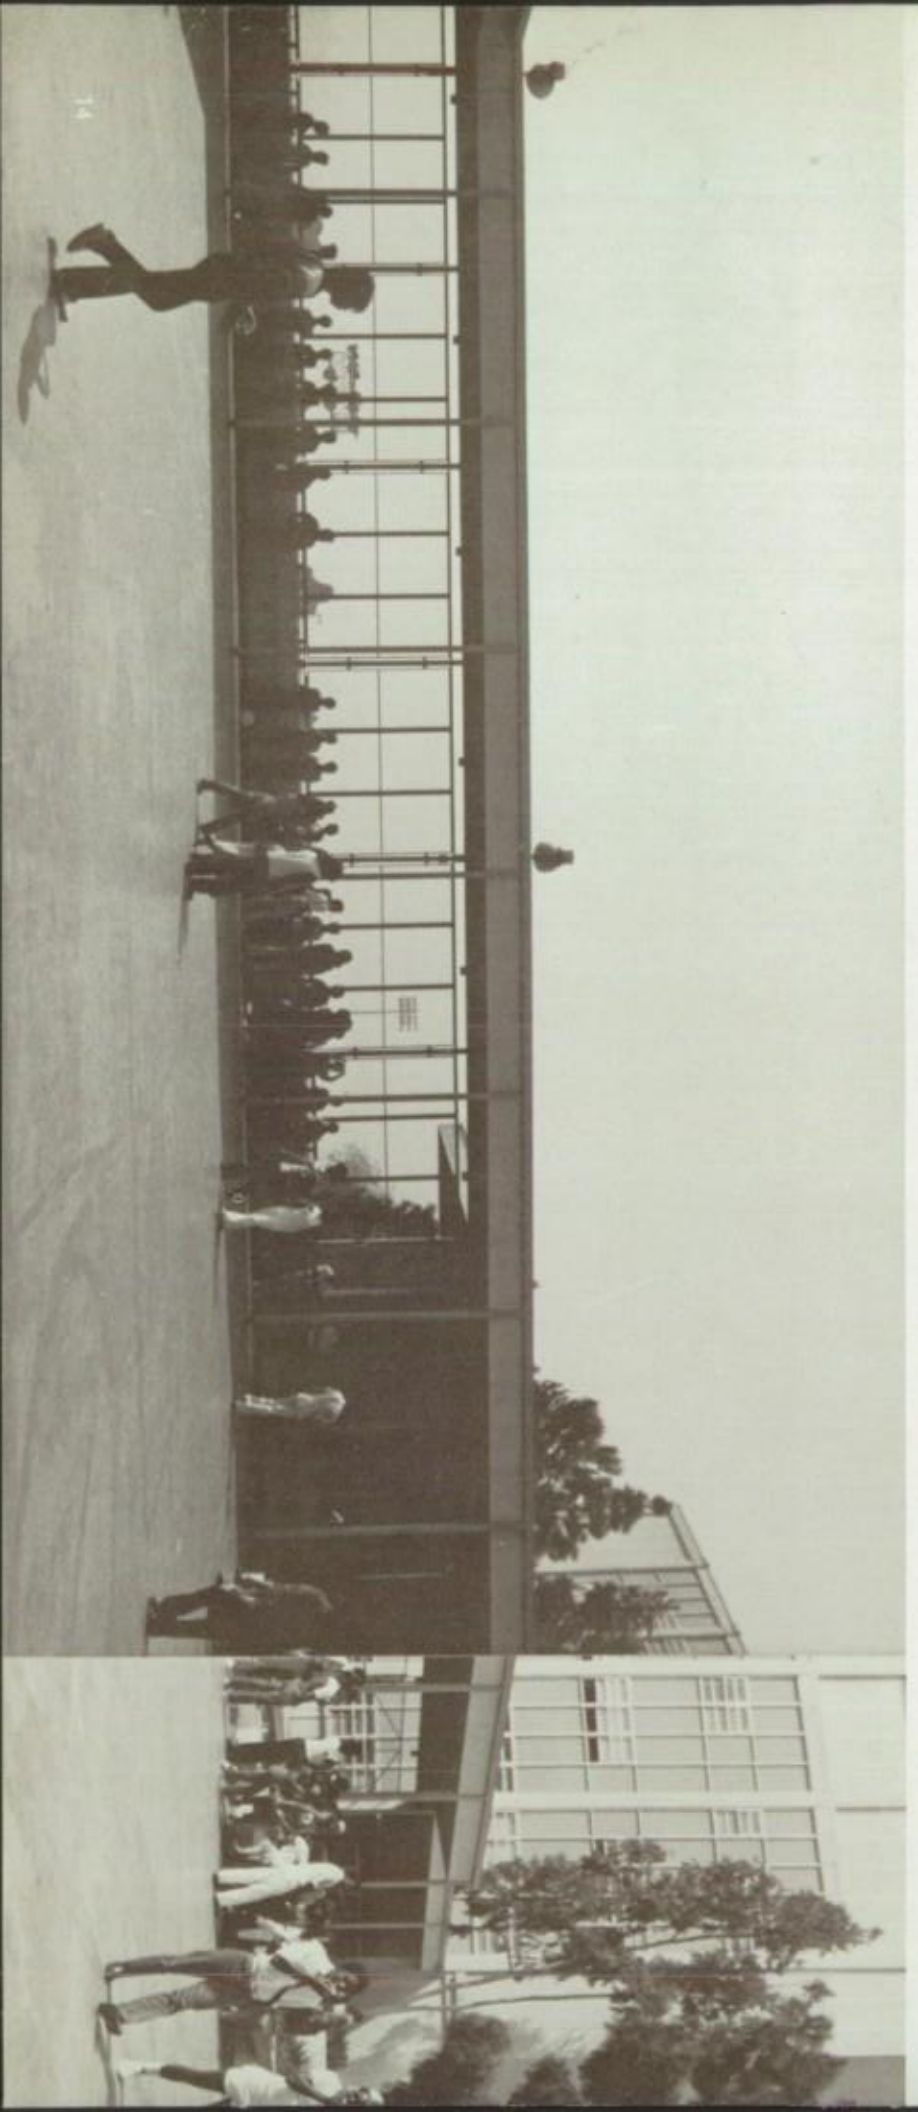
Blanca



THE ICE BLOCK RACE

Student and teachers, all alike came out to join the fun and cheer. Juniors and Seniors battled it out. Slipping! Winding! Twisting! In the end, there was victory for the Class of '81!

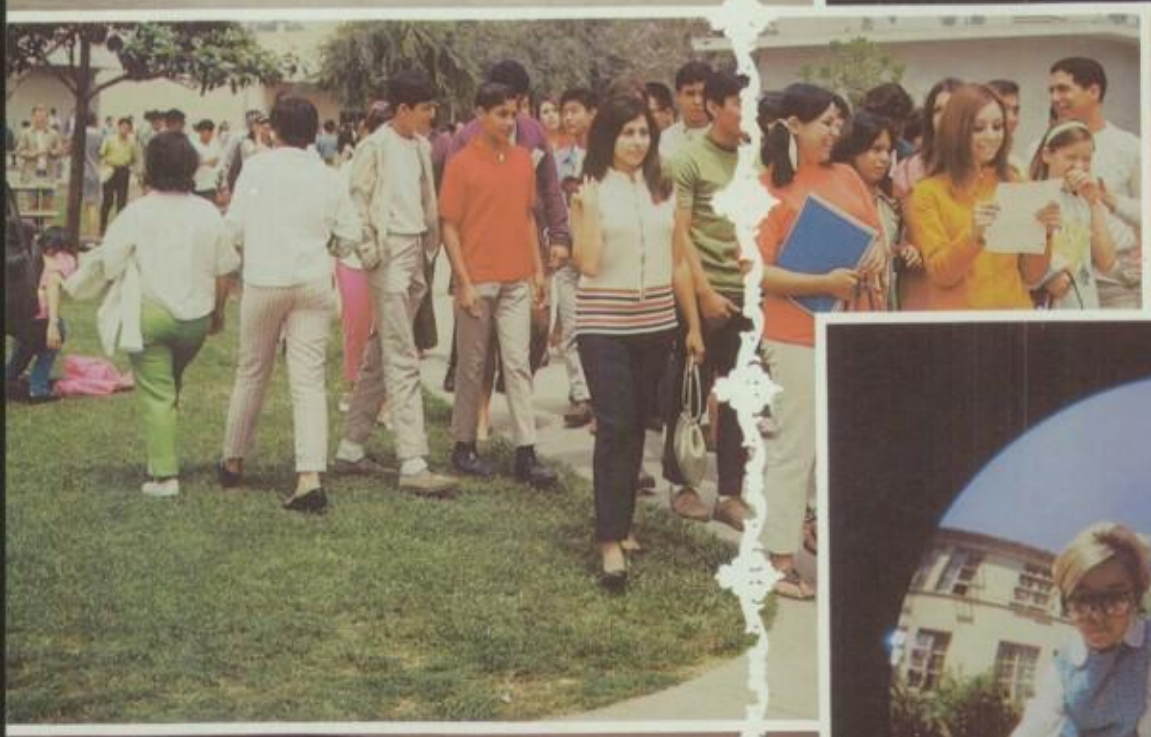


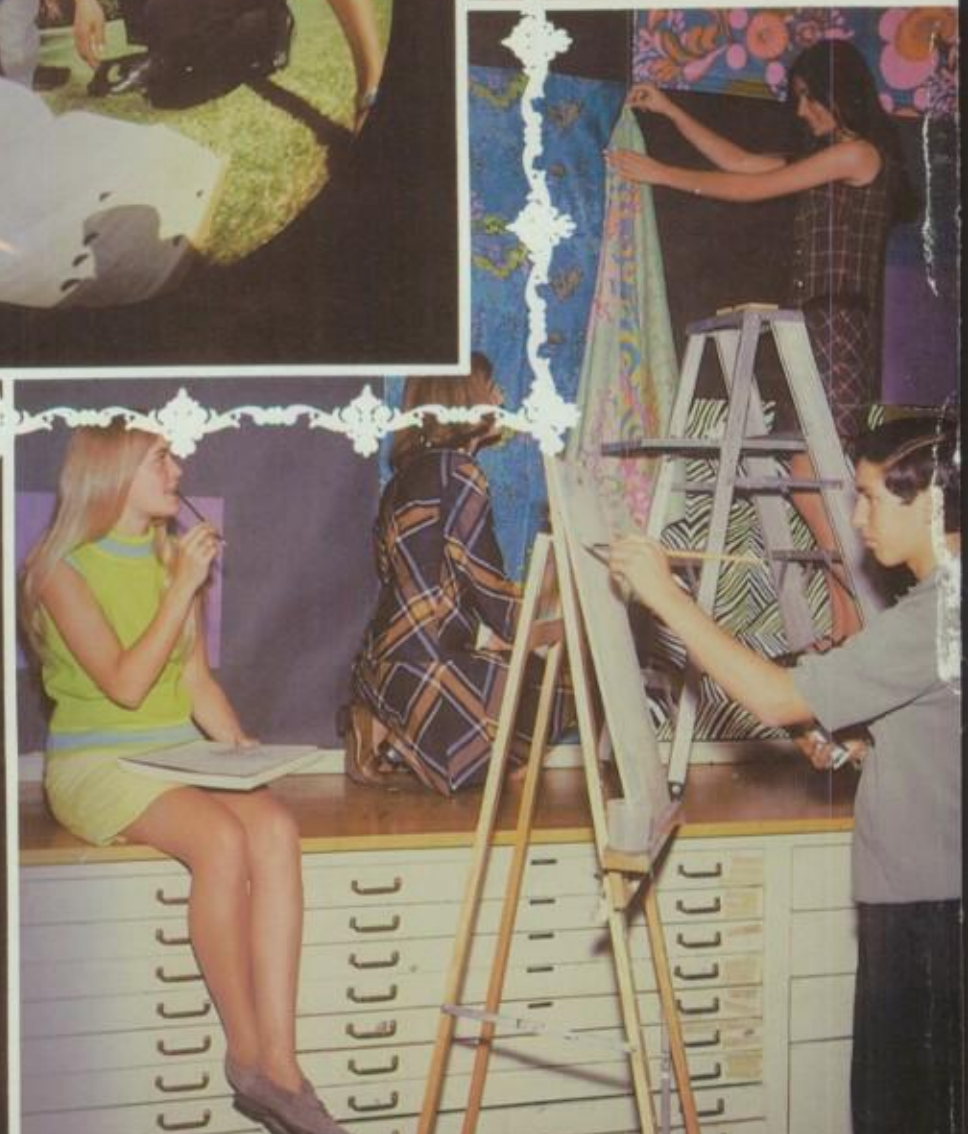


WILSON'S BUSY QUAD

CAMPUS CANDIDS

Reflecting back to the time these students were at Wilson, we stop our mad rushing around to notice that our time here at Wilson is drawing to an end. The present day Wilsonites aren't much different from the alumni. Everyone joins in on crazy events whether it be as a participant or spectator and the zaniness becomes a treasured memory. There were precious times with that special person, treasured times with friends. Like the former students of Wilson, we'll have to part and go our separate ways. Will we ever meet again?





To Bryan,
Have a good dude
so stay that way, take
care of yourself and
Be careful because this world
is crazy. I'll come up here and
visit you next year in my uniform
And if you ever need help in anything
just give me a call and I'll be there.
Always
a Friend
– Chris –

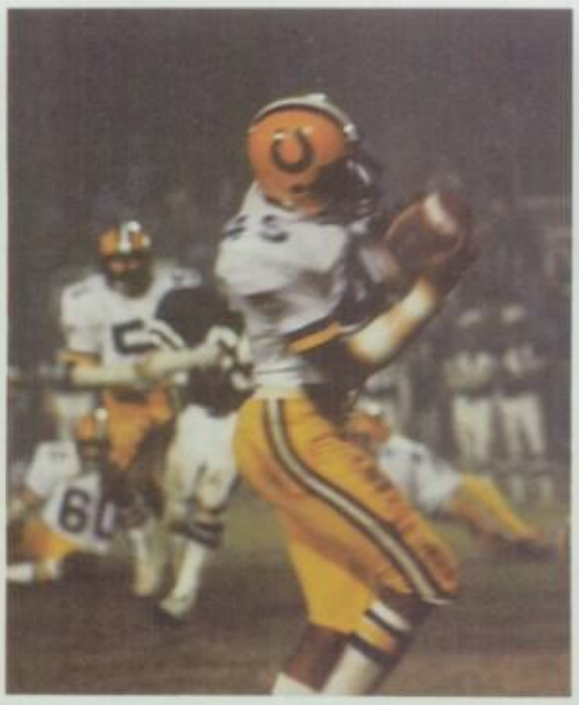
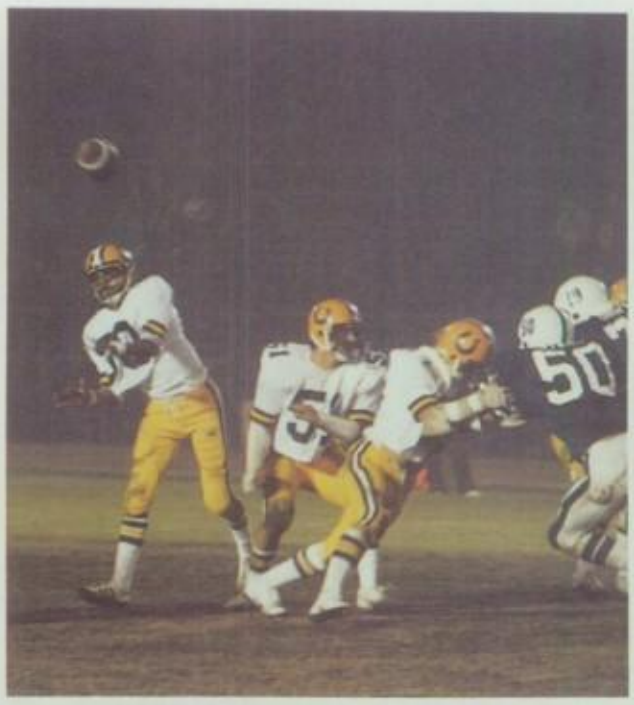
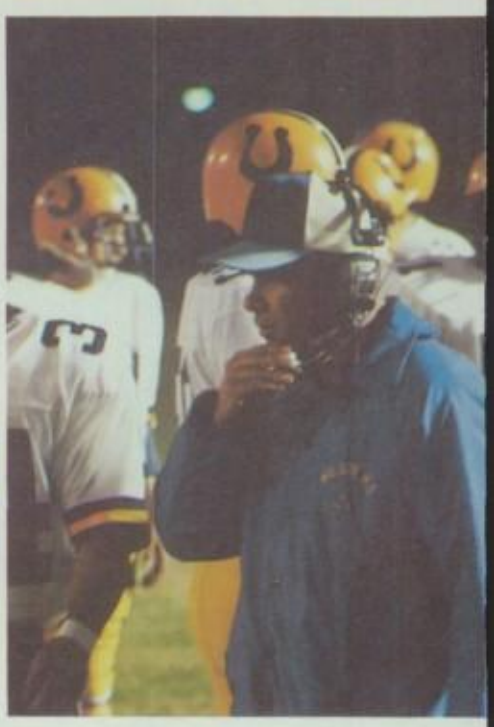
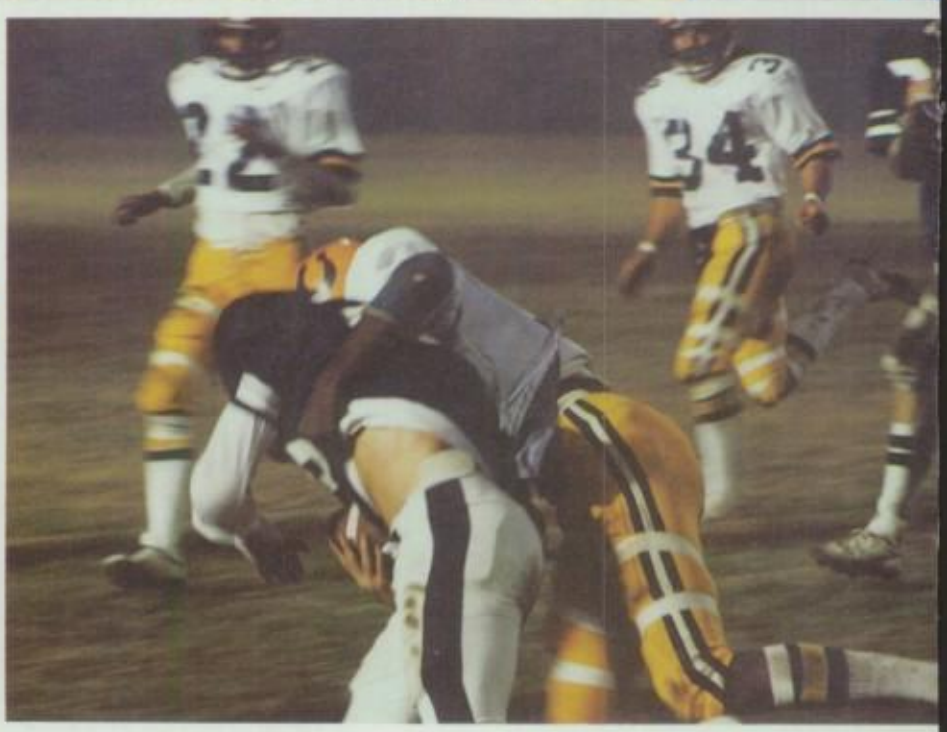
BLUE AND GOLD ACTION

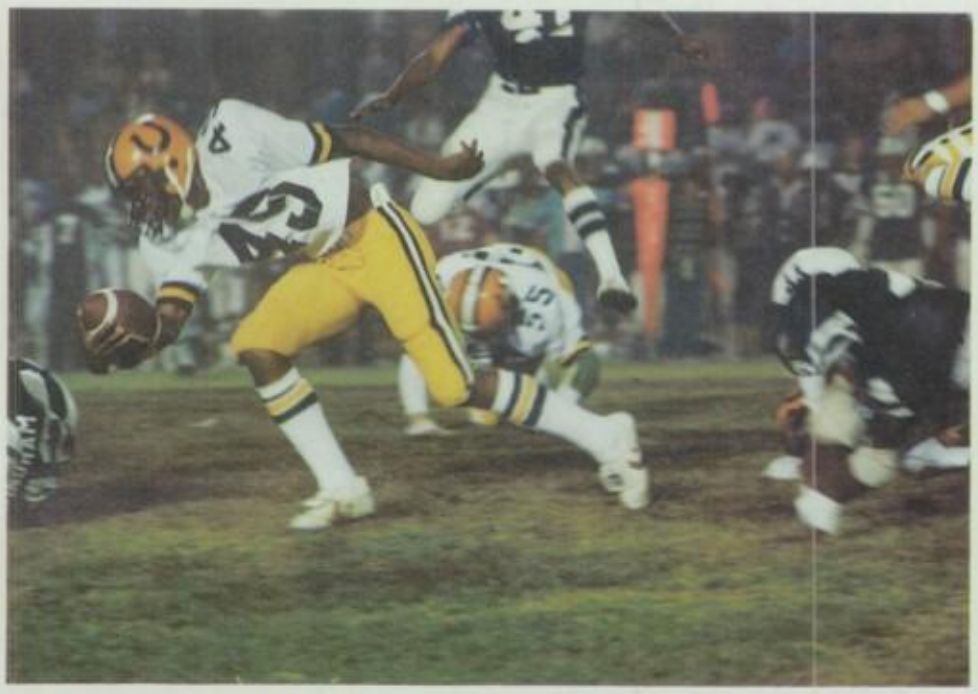


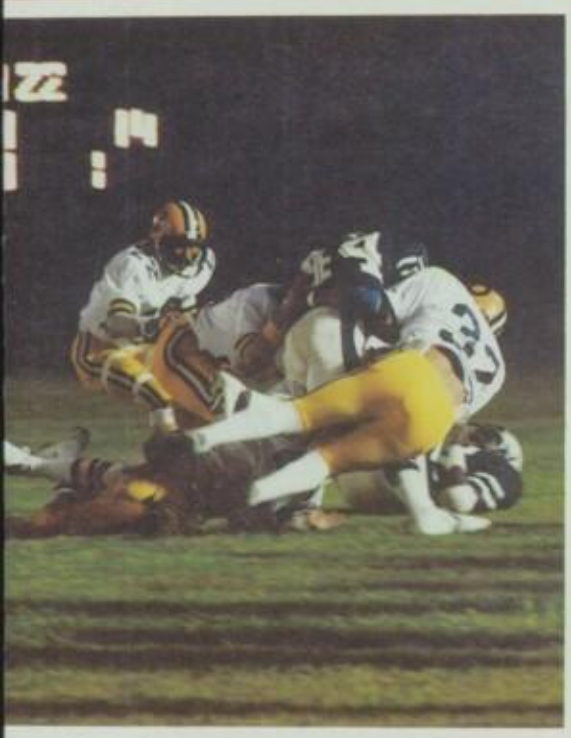


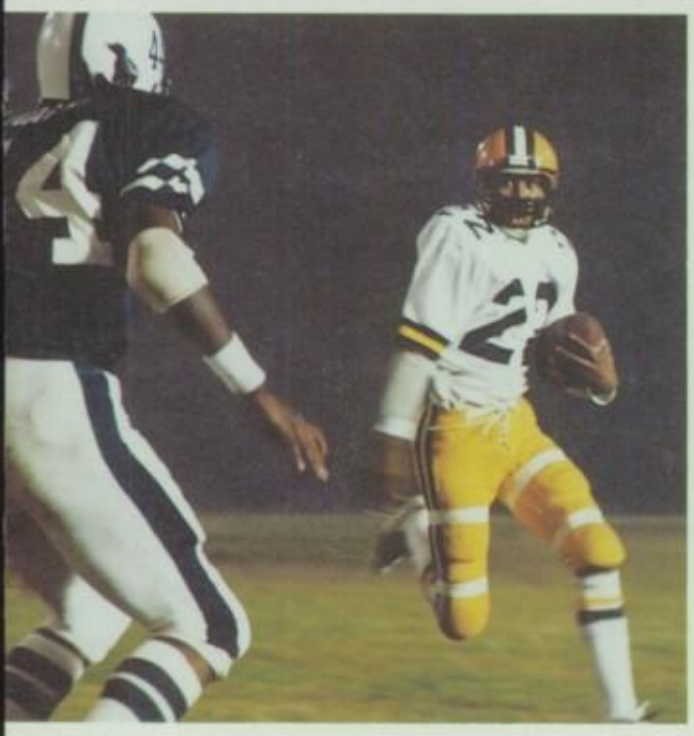




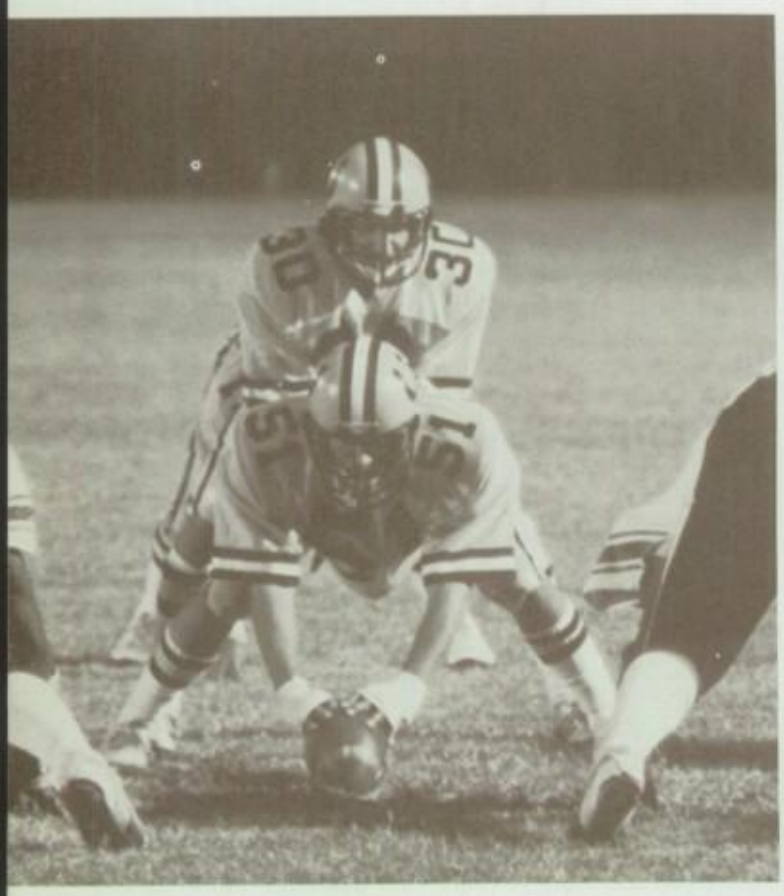
Coaches Katase and Lunetta worked hard this past football season. The schedule was a rugged one, but we ended up with a successful season having worked hard to qualify for the playoffs. It was an exciting season, running, tackling, and passing provided many thrills for the spectators.







VARSITY FOOTBALL



After putting the team through long and strenuous workouts, the coaches looked forward to a successful second season in the 4A Division. The season had surprises as the team defeated some key opponents. It was disappointing that after all their hard work in getting to the playoffs, they lost. But next season they'll come back strong and take the City Championship once again.

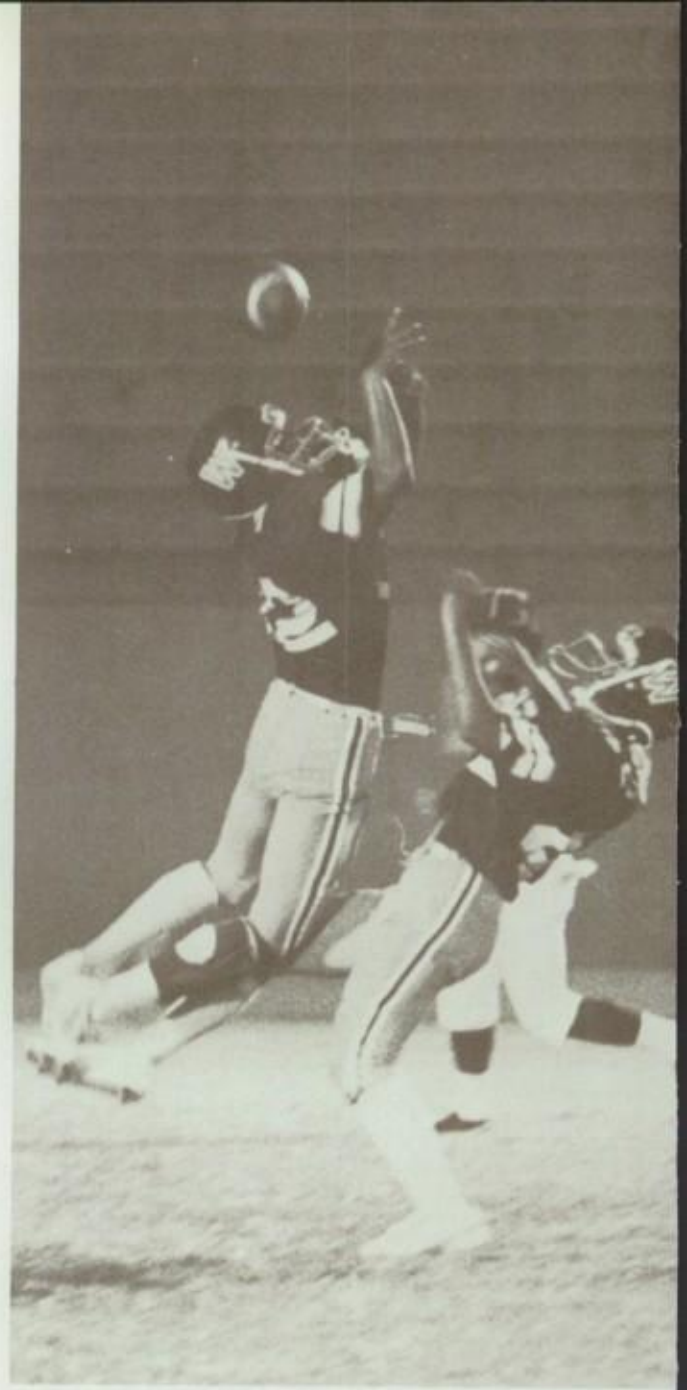
HOMECOMING '81

The band played, the cheerleaders cheered, and the crowd was whooping it up — "It was Homecoming" and the contestants were prettier than ever for the picking of the queen. Despite a loss on the football field; Wilson showed its class by having a memorable and exciting Homecoming extravaganza. Many years will pass before this eventful evening will be challenged for its happy events.

BEE FOOTBALL



The lost of key players led to a difficult season for our Bees. But inspite of that, they did their best and kept on going. After a well deserved rest, they will come back strong and tough next season.

VARSITY CROSS COUNTRY: Row 1: J. Quemada, R. Romero; Row 2: M. Minchaca, T. Richardson, E. Hurd, J. Almeida.

Although many of our old Varsity Cross Country running stars didn't return this year, our team still managed to take third place in the League. Due to the loss of a sixth period in the beginning of the year, our team was slightly unprepared for the season. They had a slow start, but they steadily improved as the season went by. Joe Almeida even went as far as to take seventh place in the City Preliminaries.

10TH GRADE CROSS COUNTRY

10th Cross Country: K. Duarte, R. Antello, R. Garcia, D. Rodriguez, D. Lozano.

Our 10th grade Cross Country team had a rough season this year since a lack of Varsity runners caused the coach, Mr. Lambert, to take the two best runners from the 10th grade team. Like the Varsity team, the 10th grade team weren't really prepared for the season, but they worked hard and showed great promise for next year's season.

GIRLS CROSS COUNTRY

With the loss of a sixth period in the beginning of the year, the Girls Cross Country team had to train even harder than before to be prepared for the tough season ahead. The team captain, Maggie Tiscareno, made it to the City Preliminaries, and Anna Robles made it to the City Finals.

This year's varsity Basketball team, on paper, was our best ever. Despite the prospect of having many superstars, the outcome of our season was a disappointing one. The team never jelled. There were many close games that could have spelled a successful season, but it didn't come to pass. We'll do better next year.

It was a slow start for our Girls Tennis team, what with serves being whacked across the net, points being earned by cross court, and down the line shots, and the fancy footwork that enabled our team to win most of their matches toward the end of their season.

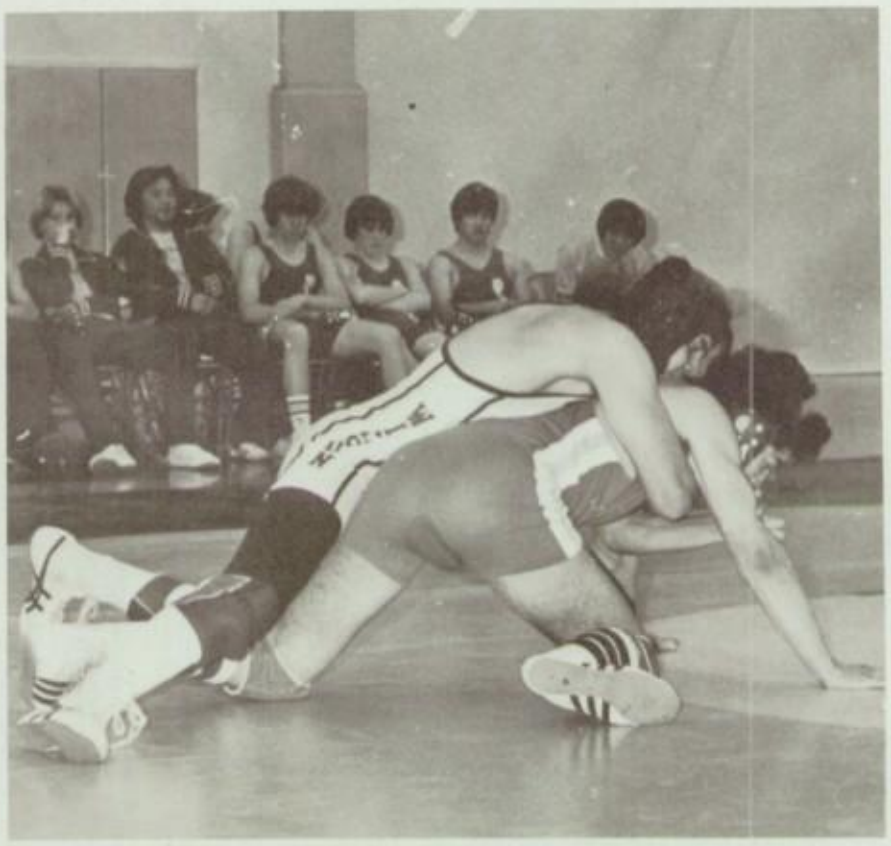
With a brand new Cee Track team, Coach Guajardo had to break them in right. But the team learned quickly and showed their determination to win. Through the experience brought on by this past season, our team will assure Wilson a very promising '82 season.

WRESTLING



It took more than brute force to win in wrestling. Style, strategy and great reflexes were all involved. And under the superb coaching of Mr. Kuniyuki, the team successfully utilized all these skills in intimidating the opponents. Martin Rodriguez boosted the team's pride when he won one of the league championships.

COLOR DAY

Spirits were flying high with Blue and Gray pride. WILSON ON WHEELS

Dear Byron,
Well once though
with another year of
high school and only have
one more year to go. Maybe
next year you'll have a senior
parking space and your Camaro will
be on this page. Have a cool summer
and maybe one of these days when you
feel lucky I'll race you! Good luck
in all that you do.

Your friend,

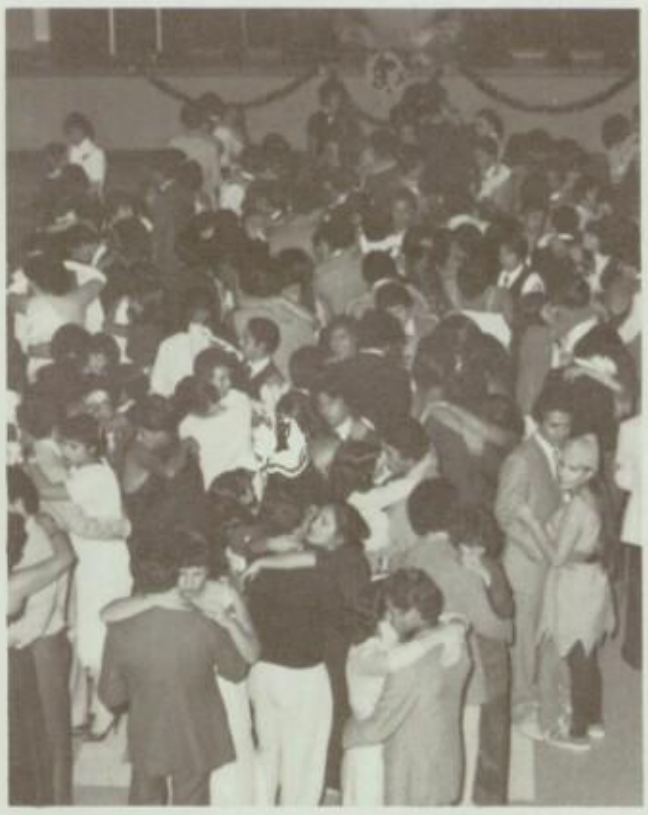
P.S. - I won't charge you
for parking your
car at my house

The days of the horse and buggy are gone. Wilson's parking areas display a vast array of contemporary and old vintage cars. The mornings are full of roaring vehicles carrying students to school. To have a car on campus is a status symbol, and a haven for fun time. Save your money for a sharp set of wheels and your grades will go down.

SNO BALL '80



Sno Ball '80 was unforgettable. The theme was "Together" and that's how the night was spent. Together with friends, we danced and talked the night away. A magical spell drew everyone closer as the night progressed. And this magic stayed in everyone's hearts long after the memorable night ended.

SADIE HAWKINS

It was a taste of the Old West at the Sadie Hawkins Dance. People were getting hitched at the Justice of the Peace, guzzling down drinks at the Saloon, and being thrown into jail by the Sheriff. Everyone had a dandy time dancing the night away to the sounds of Rio de Janiero-including the scarecrow! Westward ho!

ANNUAL STAFF '81

Hi Nick!

Having wanted to get the feel of how it was in years gone by, we, the Annual Staff of 1981 dressed up in clothes of yesteryear. Once the spirit of the times was caught, the wheels were set in motion for our yearbook of memories. Like those before us discovered, working on a worthy cause needed dedication and hard work. There were many long hours for us as we rushed around taking pictures and doing write ups for events that hadn't even occurred yet in order to meet an early deadline. But the work didn't stop there. The pictures had to be sized, pages had to be planned, and write ups polished and then typed up. Our dedicated staff would volunteer to take work home when it wasn't completed at school. But we couldn't have put this book of memories together without the wise guidance of our advisor, Mr. Danyo. We owe him a debt of gratitude for his experienced leadership. But now, we just want you to sit back, relax, and start "Reflecting Back".

The sun is setting, ending the day. Another day of our lives is passing; what did you do today? Think past yesterday, the day before that, or even last year. Imagine yourself on a mountain, looking down on the valley of your life. What do you see? Remember all the joys you have had, the battles you have victoriously overcome, and the dear friends you haven't seen in years. Stop worrying about the future, let life run its course. Think of your happy times in the past, and start "Reflecting Back".
